## Driving Directions:

From Pacific Highway whilst driving north turn right, or south turn left onto Help St, drive straight, under the railway bridge, taking your third right at the t-intersection with Anderson St, then the road turns left into Victoria Avenue. Take your third right into Archer St.

We are on your right hand side halfway along the block - at the Mountain Equipment orange man climbing logo, number 72 Archer St.

Parking can be found at the end of the block if you turn right onto Albert Ave and immediately left into the council carpark. Alternatively turn left off Victoria Ave, after the Archer St intersection, into the Chatswood Chase shopping mall parking.

## Walking Directions:

From Chatswood Train Station take the right hand exit and continue straight through and beyond Victoria Avenue's walking mall until you come to the intersection with Archer St and turn right.

You'll see Mountain Equipment halfway along the block, at the Mountain Equipment orange man climbing logo, number 72 Archer St.

If you get lost en route, give us a call, we'd be only too happy to help you find your way to a new compass or GPS.
