## Driving Directions:

Please note that Kent St is a oneway street running north.

When heading south, from the Sydney Harbour Bridge, on the Western Distributor, or east on the Western Distributor you can exit into the CBD via Bathurst St. Take your first left after Sussex St onto Kent St.

When approaching from George St heading north, turn left onto Liverpool St and right onto Kent St. Continue through the Bathurst / Kent Sts intersection.

When approaching from George St heading south, turn right onto Drutt St. Continue straight through the Drutt / Kent Sts intersection, taking the next left onto Sussex St, then left onto Bathurst and left again, back around onto Kent St.

You'll see Mountain Equipment on your left, halfway along the block, at the Mountain Equipment orange man climbing logo, 491 Kent St.

There is metered parking on both sides of Kent St and council parking, opposite the shop, beneath Town Hall.

## Walking Directions:

When you exit Town Hall Station take the west exit through Town Hall Arcade, head straight through the glass doors at the corridor's end, into the plaza, and down the wide stairway. From the footpath you'll see us on the opposite side of Kent St and left a bit. Take the green man on your right or bound, Parkour styles, over and around traffic.

Welcome to our shop, thank you come again have a nice day.

In rain you can walk underground from Pitt St right through to Town Hall, via the Queen Victoria Building, buy a waterproof jacket and return overland.
